

REQUEST FOR PROPOSAL

Bleachers for Rodeo Grounds

ADDENDUM #1

Questions & Answers

Q1. I would like you to confirm you are looking for mobile bleachers that fold up for transport like on a picture attached. Can you please confirm?

We are looking for bleachers that are mobile, regardless if they Fold or not.

Q2. How many units are you looking to purchase?

This will be dependent on the price per unit. If there is a price break for multiple units, please define that price break in your proposal.

Q3. RFQ states 10-12 row units? Does that mean 10 units of 12 rows each, or 10-row to 12-row units? If latter, how many units are we to quote?

We are interested in 10-row to 12-row units. Please include a quote for one unit and if there is a price break when multiple units are purchased and what that price break is.

Q4. So I may calculate the freight and installation costs how many units will the town require?

The price per unit will determine how many units the town will Purchase. Please include a detailed quote which includes freight and instillation per unit, please also define the price break if multiple units are purchased.

Q5. What is the budget?

Anticipated expenditure is between \$175,000.00 - \$225,000.00

Q6. When will construction start and end on this project?

Town would like units delivered by March 11, 2022 if possible
